## Specialty Air Conditioning & Heating CR2500ACH & CR5000ACH

### ClimateRight™ CR2500ACH

The ClimateRight™ CR2500ACH offers 2,500 BTU, 115-Volt A/C and Heating unit is the perfect solution to heat and cool outdoor pet houses, small pantries, playhouses, kiosks, and many other micro-small enclosures up to about 400 cubic feet (L' x W' x H'). The beauty of this unit is that it sits outside of the enclosure - out of the way, quiet and unobtrusive.

### ClimateRight™ CR5000ACH

ClimateRight's CR5000ACH, 5,000 BTU, 115-Volt Air Conditioner and Heater unit is the perfect solution to heat and cool your shed, small RV (including most 4-5 wide teardrops), small enclosed pop up tent, greenhouses, ATMs and kiosks up to about a maximum of 1,200 cubic feet (L' x W' x H'). Sitting outside the enclosure, it is out of sight, out of mind. Quiet. Portable.
